Music CDs
Pilot has successfully released music from the Globe Trekker Series on ten double compact discs, available worldwide through Pilot Productions. Pilot’s specially composed soundtrack music is infused with the flavour of the cultures of the world. Our team of over a dozen composers, each with unique experiences working with such famous artists as Eurythmics, Roger Waters, Massive Attack, Peter Gabriel and Robert Plant, have woven location recordings into their own compositions to create a global musical journey of incredible diversity and beauty. This is no ordinary TV soundtrack.

Books

Globe Trekker Year Book
The Globe Trekker Year Book is an inspirational month-by-month destination guide.

Planet Food: Recipes of the World
Packed with sizzling recipes, dazzling dishes, iconic imagery and top tips from local chefs, it’s enough to tickle the taste buds of any globe trekker.

Adventure Golf
Adventure Golf is aimed at golfers whose choice of destination is dependent on what is available beyond the links as well as the courses themselves. We visit golf courses in six countries and experience the highlights of a round and get a look at course facilities.

Great Festivals of the World
Pilot is drawing on six years of experience in making television programmes from all over the world to produce a series of travelogue tales. The first book takes you on a tour of Great Festivals of the World.
